When you join **Longleaf Golf & Family Club**, you join a community that laughs, loves, and plays together in a beautiful, relaxed, and family-friendly setting. For those that play golf, our Dan Maples designed 18-hole championship course—with a recent remodel done by Bill Bergin—provides all the fun, challenge, and enjoyment you expect. For those wanting to improve their game, there is no better place for players of any age and any skill level than the U.S. Kids Golf Academy. Our short-game areas, including a 10,000 square foot putting green, provide the perfect practice environment. And for every member of the family, the food, and ambiance of our restaurant, Heartwood Eatery, makes for a most enjoyable end of the day.

THE FACILITY. This Dan Maples designed, Bill Bergin remodeled, championship course meanders through the tall longleaf pines offering a number of scenic views and risk/reward opportunities. With mini-verde Bermuda greens, and as home of the highly-lauded [Longleaf Tee System](#), the course will offer perfect conditions and a fair and enjoyable test of your game—regardless of your age or skill level. With a 10,000 square foot putting green, an extra-spacious practice area, and a state-of-the-art academy building, Longleaf has everything a golfer needs to enjoy the game.

OUR RESTAURANT. Membership at Longleaf means you're always close to one of the most enjoyable dining experiences in the Sandhills region. [Heartwood at Longleaf](#) is dedicated to providing an array of superior food in a relaxed, family-type setting. After your round, enjoy lunch on the veranda, catch up with friends at the outdoor bar or fire pit. Watching golfers finish their rounds or taking some putts on the practice putting green are great ways to punctuate a perfect meal. Members of Longleaf receive 10% discounts on all food purchases as well as access to special member-only events.

LEARNING, AT LONGLEAF. No matter what age or ability, every golfer wants to get better and coaching from the [U.S. Kids Golf Academy](#) will help you accomplish that. Swing tips, proper equipment fitting and game management are just some of the facets of better golf that are instilled by our award-winning instructors. Full golf members are eligible to enjoy three FREE classes each month (for each member of the family!) to ensure that our members are getting the most value out of being a part of the Longleaf Family.
